- Employee & Customer welfare

VISION:

To become a business unit worth emulating to all compartments of the society. We are aligned with a team of people with strong vision and foresight that has been thought & followed from the initial period. We proudly envision providing a fortune of opportunities through our assorted investment and trading options to everyone. We intent to offer these opportunities to all associates with us.

MISSION:

Going above and beyond of our collective dream come true.

Services

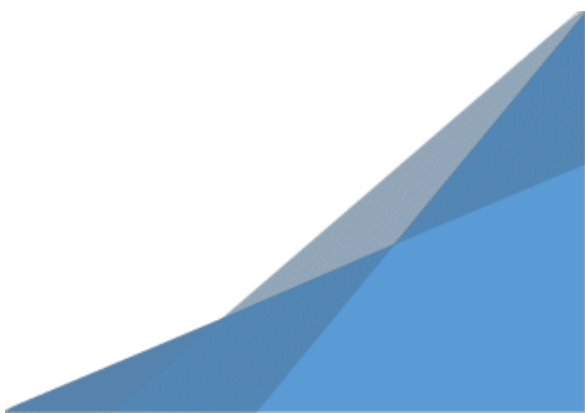

- 1. LAND TRADING AND PARTNER INVESTMENT**
- 2. Pharmaceuticals**
- 3. Agritech**
- 4. Salt manufacturing and Processing**
- 5. Infrastructure**
- 6. Holidays**

Praachi Group continuously accentuates itself to be of every possible help to all its partners and patrons. Being in this field for decades, we along with our partners have reached surprisingly new heights every year. Customising every need is our speciality. Partner investment gives an opportunity to common people to invest in big projects of Praachi Group. Partner investments enable our patrons for sharing their interests of investment along with us as an equal share holder with 100% security.

Land has unsurprisingly always added to the growth in investment benefits. As opposed to other investment and stock options, land investment is comparatively reliable investment source. Owing to this feature we at Praachi Group, continuously strives for our clients to be benefited maximum by it.

We uses our combined expertise to cater its patrons sourcing and procuring any commodities from any where in the universe. Praachi Group also bridge the gap between buyers and sellers, organisations and service agents by liaising the requirements between India and rest of the world.

We have a strong team of leaders who is taking care of the business needs of each verticals.
